

PUBLIC SCHOOLS of **BROOKLINE**

Superintendent Search Brookline, Massachusetts

Exciting opportunity to lead a diverse and dynamic preK-12 district holding high expectations for all.

The Brookline Community

A unique town bordering the City of Boston, Brookline is a vibrant and socioeconomically diverse community with a storied history of citizen action and commitment to public education. Home to faculty and students from many of the area's top colleges and universities, as well as the medical community at Boston's highly ranked hospitals, the community earns its reputation as highly educated and civically engaged. With tree-lined streets, beautiful parks and open space, great public services, locally heralded stores and restaurants, and proximity to Boston's many cultural amenities, Brookline appeals to both urban and suburban tastes and lifestyles.

The Public Schools of Brookline

Recognized for excellent teachers, active parents, and high student achievement, the Public Schools of Brookline today serve almost 8,000 students pre-K through 12, with two Title 1 schools and an expansive ELL population representing more than 50 native languages. Its 9-member elected School Committee (Board) governs Brookline's high-quality PreK program, 8 K-8 elementary schools, and 1 high school. Pursuing its vision of an extraordinary education for every child, Brookline is committed to inclusive classrooms, pedagogical innovation, professional collaboration, and use of data to drive improvements.

This Unique Leadership Opportunity

Brookline is in a dynamic and challenging period of growth. The Superintendent will lead a superb staff of educators and administrators to continue Brookline's high levels of achievement while addressing challenges associated with increased enrollment in the district.

The School Committee seeks an exceptional educational leader who values community involvement and voice, who will champion and execute on Brookline's value of educational equity, and who has a track record of educational vision as well as outstanding interpersonal and managerial skills.

The School Committee is offering a compensation package that is regionally competitive.
