Dear Lawrence 6-8 Families,

I hope your school year is off to a good start. My name is Alli Armstrong-Javors and I am excited to be joining the Lawrence team as the new 6-8th grade guidance counselor. I am touched by how welcoming and friendly the students have been as I have settled in.

I have spent the past decade working in public schools and community-based organizations that serve youth. I graduated from Tufts University with a bachelor's degree in child development and got my master's and CAS from the Harvard Graduate School of Education. In addition to being a school social worker, I am a licensed mental health counselor and have a small private practice in Cambridge where I work with LGBTQ youth.

Emerging adolescence is a unique period of growth and I am passionate about working with middle and high school aged students. I love supporting students as they navigate the complexities of academics, social relationships, identity, and much more.

I am thrilled to be part of the Lawrence 6-8 community and look forward to meeting you all. Please feel free to reach out should you want to discuss your child's needs in any way. I am at the school Monday-Friday and can be reached over email at: allison_armstrong_javors@psbma.org

Warmly,

Alli Armstrong-Javors, LMHC
