

Edith C. Baker School: School Improvement Plan (SIP) March 2022

Vision Statement

The Edith C. Baker School envisions an educational community in which all students are provided with data-informed, culturally-responsive, high quality instruction.

School Improvement Goal #1
<u>Focus:</u> Cultural responsiveness
<u>School Goal:</u> Culturally-responsive teaching practices and resources
<u>Student Goal:</u> If Baker School works to cultivate culturally-responsive teaching practices by providing teachers with support and resources, feelings of connectedness and engagement will increase among African-American/Black students, English learner students, Asian students, Latinx students, and Arabic-speaking students as evidenced via the SEL screening process.
