Select Board Seeks Applications for Baldwin School and Driscoll School Building Committees

The Brookline Select Board is pleased to invite applications from community members who wish to serve on two committees now being formed: the Baldwin School Expansion Committee and the Driscoll School Renovation and Expansion Committee. These two projects are part of the Town's ongoing effort to address the historic enrollment growth and overcrowding in the Public Schools of Brookline. The first phase for both projects will be the Design Feasibility Phase, kicking off in late September 2018.

Each Building Committee will provide guidance and support to the Building Commission, Select Board, and School Committee; work with the Project Manager in support of the project; and help to engage and inform the public. Building Committees serve through the Design Feasibility, Schematic Design, and Construction Phases. Committees typically meet 1-2 times per month over that time frame (typically 3-4 years). The first three scheduled meeting dates for each committee are listed below.

Each Building Committee will include community members representing parents, neighbors, Town Meeting Members, Building Commission, Select Board, School Committee, Advisory Committee, and Park and Recreation Commission, as well as Town and School Department staff.

Residents who are interested in serving on either the Baldwin School Expansion Committee or the Driscoll School Renovation and Expansion Committee are asked to submit a letter of interest and resume by 4:00 p.m. on **Monday, September 17, 2018** to:

Stephanie Orsini, Town Administrator's Office
333 Washington Street
Brookline, MA 02445
sorsini@brooklinema.gov

Please indicate whether you are applying to serve on the Baldwin or Driscoll Committee.
