| Marlene Goncalves | Teacher |
| Christi Electris | Parent |
| Gretchen Heefner | Parent |
| Tiffany Rinne | Parent |
| Audrey Lee | Parent |
| Molly Cohen | Parent |

The Pierce School is a K-8 teaching and learning community located in the heart of Brookline. Pierce is situated in a campus-like setting, with classrooms in three separate buildings. Pierce School values the diverse backgrounds from which all of the students come from. Pierce School's teaching and learning is grounded in collaboration that promotes equity, academic achievement and the social-emotional well-being of all students.

Collaboration among student, staff and families is highly valued. Our active parent community and PTO allows students and families to experience a variety of extra-curricular and enhanced school day programming. Programs such as Coder's Club, The Penguin Post school newspaper, annual FitFEST and the Pierce Performing Arts program are all parent-sponsored events of incredible value to students as they provide additional opportunities to nurture the "whole child". Educators come together in venues such as Common Planning Time, Child Study Teams and Collaborative Time to focus on student academic achievement and social emotional development. Pierce's academic success is confirmed by the tremendous growth rates in ELA and Math as evidenced by various formative and summative student assessments. While Pierce has substantially narrowed student "growth" gaps a performance gap is still present which is an area for continued work. The Pierce 17-20 School Improvement Plan, which can be found here outlines the detailed work in service of student/faculty safety, narrowing student achievement gaps and student social-emotional growth via goals in the following areas:

- 1. School Security & Facilities
- 2. Equity
- 3. Literacy
- 4. Math
- 5. School Climate

On March 17, 2020, all elementary and secondary public and private schools in the Commonwealth were ordered to cease in-person instruction, as part of the statewide plan to combat the COVID-19 pandemic and rapidly reduce the transmission of the novel coronavirus. As schools planned to re-open, the Department of Elementary & Secondary Education required districts and schools to prepare a reopening plan that addresses three possible learning models: in-person learning with new safety requirements, a hybrid of in-person and remote learning, and the continuation of remote learning. Throughout the planning process for these re-opening of school scenarios, Pierce has used the following guiding principles:

- 1. Prioritizing the health and safety of PSB students, staff, and families.
- 2. Providing a robust and seamless teaching and learning experience for students.
- 3. Prioritizing social-emotional wellness at the foundation of student success.

The SY 20-22 School Improvement Plan is focused on the very complex work of reopening schools. The reopening goals focus on the areas of:

- 1. Health & Safety of Students, Staff and Families
- 2. Student Social-Emotional Wellness
- 3. Equity
- 4. Teaching & Learning
- 5. Professional Growth of Educators

Our goals are couched in the Public Schools of Brookline's district goals. By aligning our goals, we ensure the necessary resources and supports are in place to achieve our goals in support of student achievement and student success. Additionally, in order to respond effectively to the changing needs of students, educators and families during this pandemic period, it is essential that our School Improvement Plan is a living

document in that it is continuously updated and allows us to make mid-course corrections when needed. The Pierce School Council supports the school in refining the plan by asking relevant questions, giving feedback and then monitoring the implementation and success of the plan. The Pierce School Council is responsible for approving the plan.

2. Student Social-Emotional Wellness

District Goal: Every Student Prepared for Change and Challenge

Instill in every student the habits of mind and life strategies critical for success in meeting the intellectual, civic, and social demands of life in a diverse, ever-changing, global environment.

| GOAL: SEL skills across the 5 core competencies will be clearly articulated including developmental benchmarks and indicators. Develop procedures for accurately understanding students' social-emotional functioning and growth throughout the 2020-2021 school year. (Social-Emotional Learning) | | | | | |
|--|---|---|---|---|--|
| Action | Person(s)/Teams Involved in the work | By When ? | Resources you will use to get this work done - (e.g. release time, PD time, faculty meetings, support from central office, funding, etc) | Indicators of Progress and Success | |
| Build a schedule that allows for daily SEL times for students both in person and at home. | Administration | August 2020 (remote schedule) September 2020 (1-8 hybrid) | | Continuous improvement for students in the following SEL competencies as measured by SEL screeners: | |

| Provided Second Step lessons to our youngest students | K-2, Guidance Counselor | ongoing | Second Step curriculum materials | |
| Continue to support staff in the use of Zones of Regulation, including using our PBIS para and/or special education staff to reteach and reinforce those skills with students who are struggling. | Guidance staff PBIS para special educators and support staff | ongoing | | |
| Use district SEL assessments to determine need and allocate resources within the Pierce community. | Office Of Student Support (District) | September 2020/ongoing | | |

3. <u>EQUITY</u>

District Goal 2: Every Student Invested in Learning

Increase every student's ownership of his/her learning and achievement by using rigor, relevance, and relationships to foster a spirit of inquiry and the joy of learning.

GOAL: Instruction is delivered using culturally responsive strategies that honor/recognize students' identities while providing entry points for all students into the grade level content. Instructional strategies encourage student agency. (Cultural Competence & Anti-Racism)

| Action | Person(s)/Teams Involved in the work | By When ? | Resources you will use to get this work done - (e.g. release time, PD time, faculty meetings, support from central office, funding, etc) | Indicators of Progress and Success |
|--|---|----------------|---|--|
| Offer professional collaboration opportunities that focus on advancing equity and cultural responsiveness within our school community. | Grade Level Teams/Specialist Teams/Administration | ongoing | Faculty Meetings, PLC's PEAT (Pierce Equity Action Team) twice monthly meetings | |
| Technology and material distribution to all students to support remote and hybrid instruction. | Ed Tech Specialist Administration | September 2020 | Access to district Chromebooks | |
| Support staff in responding to student behaviors (academic and social) in a way that affirms their needs while | All teachers, support staff and administrators | ongoing | Team meetings, faculty meetings All Faculty Professional Development: | |

| also helping students be successful in the classroom. | Practical Trauma-Informed Strategies to Reduce Anxiety in Students w/Jessica Minahan (sponsored by Brookline Educational Fund) | |
|---|--|--|
|---|--|--|

4. Teaching & Learning

District Goal: Every Student Achieving

Ensure that every student meets or exceeds Brookline's high standards and eliminate persistent gaps in student achievement by establishing educational equity across all classrooms, schools, and programs.

| GOAL: With teacher support, identify "essential curriculum" and learning standards. These learning standards highlight grad learning expectations, skills for mastery, and introduce future content. (Essential Curriculum) Action Person(s)/Teams Involved in the work By When ? Resources you will use to get this work done - (e.g. release time, PD time, faculty meetings, support from central office, funding, etc) Indicators of Progression | | | | |
|---|---|---------|---|--|
| Support teachers as they adapt to meet the demands of our new Essential Curriculum. | Curriculum coordinators, literacy and math specialists, grade level teams, administrators | ongoing | Content Department PD, early release day collaboration, faculty meetings | Continuous improvement of student academic achievement as measured by: MCAS data (gr. 3-8) BOY literacy assessment data (K-8) |

| | | | | EOY literacy assessment data (K-8) Kindergarten Math Assessments Gr.1 & Gr. 2 Working Number Assessments |
|---|---|-----------------------|---|---|
| | | | | End of Unit Investigations Assessments (gr. 3-5) DESMOS Assessments (gr. 6-8) |
| Support teacher teams in assessing student work and skills against grade level expectations. | Curriculum coordinators, literacy and math specialists, administrators | ongoing | Grade level PLCs, facilitated by administration on early release days. Professional development for kindergarten & gr. 1 paras to implement math assessments | |
| Use student achievement data to allocate staffing and resources that ensure all students have the supports they need to | Administrative | April 2021/ongoing | Early release day collaboration, faculty meetings | |

| make effective progress. | | | | |
|--|---------------------|---------|-----------------------|--|
| Implementing Investigations math curriculum in grades 3-5 | 3-5 Math specialist | ongoing | Grade Level Team Mtgs | |
| Continued implementation of Literacy Collaborative coaching in grades K-2 and focus on implementing Calkins Units of Study in kindergarten-grade 8 in English Language Arts. | | ongoing | | |

5. Professional Growth of Educators

District Goal : Every Educator Growing Professionally

Foster dynamic professional learning communities that inspire inquiry, reflection, collaboration, and innovation, and use data to improve teaching, advance student learning, and refine the programs and practices of the Public Schools of Brookline.

| GOAL: Support educators across the district with implementation of content defined in the Essential Curriculum. Provide professional development opportunities that exemplify best practices, prepare and support educators to be fluid and effective as they navigate both in-person and remote learning. (Professional Development) | | | | | | |
|--|---|-----------|--|---------------------------------------|--|--|
| Action | Person(s)/Teams Involved in the work | By When ? | Resources you will use to get this work done - | Indicators of Progress and Success | | |

| | | | (e.g. release time, PD time, faculty meetings, support from central office, funding, etc) | |
|---|--|--------------------------|--|---|
| Provide in house professional development in math and literacy to both classroom teachers and paraprofessionals. | Literacy and math specialists | December 2020/ongoing | Early release days Faculty Mtgs | Increased Educator Efficacy as measured by feedback on Professional Development Sessions |
| Support staff in their efforts to meet as teams to review student data and plan for reteaching and / or enrichment. | Grade level teams, administration, support staff | January 2021 | Early release days | |
