

July 2022

Welcome to

Kindergarten

My name is Mr. B and I will be your teacher this year. Our class is at the Florida Ruffin Ridley School in Brookline and is called KBC. During the summer all of the kindergarten teachers and I are working hard to get ready for our year together.

In kindergarten we will make new friends and learn about letters, sounds, numbers, and shapes. We will also learn about long ago and how to think like scientists. We even make art and music and exercise together.

I can't wait to meet you and show you all the fun things and nice people at the Florida Ruffin Ridley School. I hope you and your family will be able to stop by KBC (room 264) for a short visit on Tuesday, September 1st, any time between 2 p.m. and 3 p.m. to say hello and see our classroom before your first day.

We are going to have a great time learning and exploring together this year in KBC!

See you soon,

Mr. B
