# WELCOME TO KINDERGARTEN!!!

Hello Kindergartener! My name is Mr. Fraielli and I am so excited to be your Kindergarten Teacher at the Florida Ruffin Ridley School! We call our class KF. This will be my third year teaching Kindergarten in Brookline, and my second year at FRR. We will work together to achieve many things this year! This year, we will **make new friends**, **read lots of books**, **learn new things**, **explore outside and plant in our garden**, **build structures**, and of course...**PLAY!** We think that our class will be the perfect place for you this year! It is our goal for you to feel at home in the classroom. We want you to feel comfortable and safe trying new things, meeting new people, and exploring new ideas. We promise that we will work our hardest to make this year a success! We know that you will work your hardest too, because that is what we do in Kindergarten! We hope you are getting excited about all of the fun we'll have together this year, because we know we are!
