# Welcome to Second Grade!

Summer 2022

Hello Second Grade Families,

Welcome to 2S! My name is Sarah Stanton and I will be your child's classroom teacher next year. I am looking forward to meeting you all and embarking on a wonderful year of learning!

Some may say I began my teaching career way back in my mom's first grade classroom in the 1990s, but truthfully I got my start teaching preschool in 2014. Three years later I was welcomed into the Brookline community as a first grade para at Heath School as I finished my Masters in Education at Salem State University. I spent two years teaching first grade at FRR, so you may know me from that role! This will be my second year teaching second grade! I am excited to work again with this curious and energetic age group, and help your child become a more confident and independent learner.

I am originally from Reading, MA, where my parents still live and where I still coach high school volleyball! I love to watch sports, go on hikes, and bake or cook. I do many of these things in Waltham, where I currently live. This summer I hope to travel spend time with family and friends, use my paddle board on the Charles River, and read a few good books!

Attached you will find a welcome letter for your child, and a list of supplies helpful for 2<sup>nd</sup> grade. I recognize that these are hard economic times, so any contribution is appreciated!

I hope you enjoy the rest of the summer, and I look forward to meeting you in the fall!

Ms. Stanton
