

4th grade families-

I am writing to introduce myself as Ms. Klatzker, your child's teacher for the school year! I have taught 3rd grade for the last two and a half years at the Driscoll School in Brookline, and I am so excited to begin working at FRR. I graduated from Connecticut College in 2016 and completed my M. Ed. in reading and literacy at Boston College in 2020. I am also a licensed reading specialist and am particularly passionate about teaching literacy skills! In my free time, I love working on crossword puzzles, baking, and traveling.

It is important for me to make sure that my students receive everything that they need to grow and learn in school, and I know that you are the experts on your child. Please feel free to reach out to me with any questions or concerns you may have. You will hear from me regularly in my weekly newsletter emails, which I will send out on Friday afternoons. These emails will contain information about what we are learning in class, in addition to upcoming events and important dates. Additionally, I will be holding office hours on Thursdays from 2:30-3:00 weekly, which will begin during the 2nd week of school. Please stop by if you have anything which you would like to discuss!

We will spend the start of the school year getting to know each other, learning 4th grade expectations, sharing stories, and having fun! This year we will focus on building community and working together, in addition to working hard towards our academic goals. I cannot wait to meet your child on September 6th, and I look forward to supporting them throughout the school year.

Best,

Meira Klatzker meira_klatzker@psbma.org

4KL Supplies

-Instead of sending in supplies for your child, please send in \$20, if you are financially able. This money will be used throughout the year to replenish materials and keep our room well stocked!

-If you would like to make a donation to our classroom, the following supplies are always helpful:

- Disinfectant wipes

- Pencils

- Erasers
