Hello Fourth Graders!

My name is Ms. Morelli and I am so excited to meet you all! I am originally from Central Mass, but moved to the Boston area this summer. This will be my first year teaching at FRR and I hope I can learn a lot from you, as much as you learn from me. Teamwork makes the dream work!

We will be learning a lot of exciting topics and I will make sure that your voices are heard in the classroom. I want to make our year together fun, thought-provoking, and memorable. I will need your help in order to do that!

I can't wait to meet all of your beautiful faces this September!

EDUCATION

I completed my Bachelor's Degree at the University of New Hampshire in Mathematics Education. I also completed my Master's in Elementary Education. I can't wait to share my love of learning with my students!
