Trust Center for Early Education's BEEP on Beacon Extended Day Program 2023 - 2024

Through discovery, exploration and wonder, our emergent, play-based curriculum provides opportunities to develop critical thinking and problem solving skills and allows each child to grow at their own pace in our diverse, inclusive environment.

Our flexible schedule is designed to address the needs of contemporary working families. We are a neighborhood program, dedicated to creating an environment that nurtures lasting relationships among families.
