DRISCOLL EXTENDED DAY PROGRAM (DEDP)

DEDP is a private non-profit organization that provides childcare, social opportunity, and recreational activity for Driscoll students in Kindergarten through 5th grade (and for preschool starting in 23-24). We provide a comfortable environment for children to unwind after school, interact with peers and develop skills and interests needed for self-confidence, self-reliance and individual achievement.

If you are interested in enrolling your child in DEDP, please fill out this Interest Form. DEDP will accept interest forms from **March 1 through March 10 at 5pm.** If the group is oversubscribed, a lottery will be held to determine who will attend. All families who apply will receive an email on March 10th after 5pm notifying them of their status, and whether or not a lottery will be held. If a lottery is held, families will receive an email on Monday, March 13th with their enrollment status as a result.

Accepted families will begin the enrollment process in April. This includes filling out an enrollment agreement, as well as creating a Smart Tuition account to pay monthly tuition invoices. In June, you will be billed for a registration fee of $150 dollars and a non-refundable deposit which will be one-month tuition based on the number of days you enroll your child. This deposit is applied to your June 2024 tuition. Our tuition rates for the 23-24 school year can be found here at the Payments & Tuition tab on our website.

DEDP follows the Public Schools of Brookline's annual calendar. We will not offer full day programming for pre-k students on days of low attendance or during February or April vacation. The best place to find more details about our program, and more specifically our preschool offerings is at our website, dedpbrookline.org. Look for preschool information under the "Forms and Enrollment - Preschool 23-24" tab. Please feel free to reach out to us at program@dedpbrookline.org, or by using the "Contact Us" page at our website. We are looking forward to expanding our DEDP community!
