

Payments for BEEP can be made using **UniPay**. UniPay is a secure online payment platform offered by UniBank, a community bank located in Central Massachusetts. Families will have two online payment options for paying tuition:

1. Electronic Check
2. Credit Card

Electronic Check:

You will need one of your checks with you when you pay your bill online in order to get your account number and the bank's routing number from it. There is an example on the website of how to find the bank routing number on your check.

Credit Card:

UniPay accepts American Express, MasterCard and Discover for credit card payments. Visa is not accepted. There will be a convenience fee for each online payment. The credit card service provider charges the fee to your credit card. The fee amount will appear in a separate box. ([Fee Schedule](#))

Please be sure to look at the fees for the amount you are paying.

Here is the link to register and make a UniPay account and submit your payment.
