

Problem of the Week #16

Who has more?

Who has more?

Ms. Hernandez made a rectangle with Cheez-its.

Her rectangle has a perimeter of 22 cheez-its, with a side length of 9 cheez-its.

Mr. McCormick made a rectangle with Cheez-its.

His rectangle has a perimeter of 20 cheez-its, with a side length of 5 cheez-its.

Show your work and explain your thinking.
