

## **Problem of the Week #16**

### **Million Dime Heist**

WHDH

In the middle of the night, thieves robbed a truck carrying millions of dimes in a Philadelphia parking lot

(*Philadelphia Inquirer* April 18, 2023).

**The thieves stole 1 million dimes.**

IF the thieves carried the dimes in buckets, how many buckets would they fill?

Each bucket holds 100 rolls of dimes.

Each roll of dimes is worth \$5.00.
