

Problem of the Week #4

Flights of Stairs

Wednesday in 2Le

At 7:55, 2Le entered school on the 1st floor and walked up to their room on the 3rd floor.
At 8:45, 2Le walked down to the basement for Library and back to the 3rd floor.
At 11:00, 2Le went to the 1st floor for lunch and back up to the 3rd floor. (*Indoor recess.*)
At 1:00 they went back down to the basement for PE and back to the 3rd floor.
At 2:30 they went back down to the 1st floor for dismissal.

How many flights of stairs does 2Le walk each Wednesday (if indoor recess)?

Bonus Question: If each flight of stairs has 22 stairs, how many stairs does 2Le go up and down on Wednesdays?

Extra Bonus Question: How many stairs does **your** class go up and down on a Wednesday?
