

Problem of the Week # 19

Juneteenth

JUNE 19
JUNETEENTH
FREEDOM DAY

Brookline's Juneteenth Block Party is Thursday, June 19th. This celebration will have food, games, and most likely face painting. If it takes the artist 5 minutes to paint one child's face, how many children can get their face painted in 2 hours **if there are 2 artists?**

Show your work and justify your thinking below.

Name: _____

Class: _____

(First and last name, please. **Due MONDAY: 6/16/25**)
