

Problem of the Week #7

What's the Score?

Costa Rica and Germany played one another in the World Cup in Qatar (on Dec 1st).

At half time, at least 1 goal had been scored. And Germany was winning.

At the end, the score was:

Germany: 4

Costa Rica: 2

What are **all** the possible half time scores
that meet these conditions?

EXTRA: What country do you think will win the World Cup? _____

Show your thinking using pictures, numbers or symbols.

Name: _____ Class: _____

First and last name, please

Due: 12/22/22 (Thursday)
