# Strategic Planning Process

- Found envisioning worthwhile. Protocol was great.
- Surprisingly fun and interactive.
- Collaborative. Productive. Strong start.
- How is data driving this process?
- We better understand district needs.
- Somewhat overwhelming.
- Many voices and viewpoints.
- Puts us back on track.
- I am hopeful that what is being done will come to fruition.
- We share a similar vision for the future.
- A great first step in moving our goals forward. We developed a strong foundation.
- Thought-provoking, exciting, and full of hope.
- A great setting to allow for communication.
