Dear Andrew

In accordance with the School Committee Policy #07-20, I would like to formally reauthorize the appointment of existing members to the BA&CE advisory committee (per terms of the policy). The eight committee members I would like to recommend include Peter Meyer (BA&CE student, 3 year term), Marina Brodskaya (2 year term), Arthur Conquest (Chair, 3 year term), Laura Days (BA&CE instructor, 2 year term), Thomas Hantakas (1 year term), Chobee Hoy (3 year term), Steve von Lichtenburg (1 year term), and representing the school committee, David Pollack. I would like to appoint one new member to the committee: Claudia Dupre (2 year term).

May this be presented to the school committee in November for approval? Please advise as to how to proceed.

Sincerely,

Claudia Dell'Anno  
Director, Brookline Adult & Community Education
