FROM: Ray Masak, PE Project Manager

SUBJECT: High School Expansion Project – Deferred Maintenance
NB Kenney Contract (FY 21)

DATE: December 9, 2020

On the Calendar this week, the Building Department has submitted a request for Contract Approval for the subject project in the amount of \$3,075,000 contingent on approval from the MA DOR for the additional funding requested by a warrant article approved by Town Meeting.

The subject project was approved as part of the High School Project and was designed by Willian Rawn Associates. Construction will commence upon contract execution and is expected to be completed by the end of August 2022.

Bids were received on October 6, 2020. A total of 5 bids were submitted. The OPM (Hill) reviewed the bids and determined that NB Kenney is the lowest and responsible bidder. Based upon the Hill's recommendation, we are requesting award of contract to NB Kenney.

The Building Department is available to answer any questions you may have. Thank you for your consideration.
