

Draft statement on WA8 (budget appropriations)

The School Committee is supportive of the budget allocation as recommended by Town Staff which fully funds the PSB budget request, and which was voted favorably by Select Board on April 26, 2022.

The School Committee is grateful to the PSB staff who have refined the FY23 PSB budget, and prepared and presented detailed budget documents. FY23 budget documents are available at www.brookline.k12.ma.us/budget.

Because the budget materials can be complex, and in keeping with previous practice, PSB will provide an executive summary to Town Meeting Members in advance of Town Meeting.
