

## **FY19 Non-Aligned Personnel Proposed Wages**

Amendment June 19, 2018

<b>ESY</b>	<b>Current</b>	<b>Proposed</b>
PSB Special Education Program Teachers	<b>Per diem for 4.5 hours teaching + 0.5 hour prep</b>	<b>Per diem for 4.5 hours teaching + 0.5 hour prep</b>

Rationale for continuing Unit A Rate: system-wide teachers to get their per-diem rate:

Teachers who are currently assigned in the current school year to work in a system-wide program (RISE, ALC, TLC and LAHB, etc) during the school year and during ESY are providing a continuation of programming across the calendar year. They are required to deliver instruction to our most vulnerable and complex learners during ESY, similar to their requirements during the school year. These ESY teachers have always received their per diem rate during ESY.
