7. **FY20 Revolving Fund Program Budgets**

A revolving fund receives its income from selling goods and services to users or participants in a program and expends funds to cover the costs of such goods or the expenses of providing the particular program or service. The intent is for such activities to break even financially, and the revolving fund is a mechanism that allows for fluctuations in levels of activity.

7. FY20 Revolving Fund Program Budgets

Revolving funds exist under specific statutory authority and operate without approval or appropriation by town meeting. State law [G.L. c. 44, §53E1/2] allows a wide variety of revolving funds. Revolving funds are commonly used for park and recreation programs, school athletic programs, community adult education and continuing education programs, and school lunch programs. Most revolving funds must be authorized annually by town meeting. School Committee has authority under Chapter 71 for certain revolving funds.

7. **FY20 Revolving Fund Program Budgets**

Revolving Fund accounts shall be under the direct control of the School Committee, which delegates the power to the Superintendent and/or School Business Administrator to authorize expenditures from them without further appropriation by the Town. All monies collected by the schools from fees, fines, admissions, and other non-tax sources shall be submitted to the Business Office, deposited with the Treasurer of the Town, and credited to the appropriate and authorized fund for expenditure.

The School Committee Finance Sub Committee will be reporting out on this item after consideration and review.
