Hi Donna,  
Draft 2...

Brookline Adult & Community Education received donations for scholarships so that low-income individuals and/or families could have access to the 2021 Festival of Learning, held during the week of March 22, 2021. Scholarship funds covered the cost of virtual access passes. The Senior Center, BHA, METCO and ELL programs received access passes and distributed them to their deserving families. The Festival of Learning was a week-long virtual fundraiser where participants, for a fee of \$75, dropped in on more than 40+ classes and lectures. Featured speakers included a NASA astronaut and a Hollywood actor.
