OPEN MEETING LAW COMPLAINT FORM

Instructions for completing the Open Meeting Law Complaint Form

The Attorney General's Division of Open Government interprets and enforces the Open Meeting Law, Chapter 30A of the Massachusetts General Laws, Sections 18-25. Below is the procedure for filing and responding to an Open Meeting Law complaint.

Instructions for filing a complaint:

- o Fill out the attached two-page form completely and sign it. File the complaint with the public body within 30 days of the alleged violation. If the violation was not reasonably discoverable at the time it occurred, you must file the complaint within 30 days of the date the violation was reasonably discoverable. A violation that occurs during an open session of a meeting is reasonably discoverable on the date of the meeting.
- o To file the complaint:
 - o For a local or municipal public body, you must submit a copy of the complaint to the chair of the public body **AND** to the municipal clerk.
 - o For all other public bodies, you must submit a copy of the complaint to the chair of the public body.
 - o Complaints may be filed by mail, email, or by hand. Please retain a copy for your records.
- o If the public body does not respond within 14 business days and does not request an extension to respond, contact the Division for further assistance.

Instructions for a public body that receives a complaint:

- o The chair must disseminate the complaint to the members of the public body.
- o The public body must meet to review the complaint within 14 business days (usually 20-22 calendar days).
- o After review, but within 14 business days, the public body must respond to the complaint in writing and must send the complainant a response and a description of any action the public body has taken to address it. At the same time, the body must send the Attorney General a copy of the response. The public body may delegate this responsibility to its counsel or a staff member, but only after it has met to review the complaint.
- o If a public body requires more time to review the complaint and respond, it may request an extension of time for good cause by contacting the Division of Open Government.

Once the public body has responded to the complaint:

- o If you are not satisfied with that the public body's response to your complaint, you may file a copy of the complaint with the Division by mail, e-mail, or by hand, but only once you have waited for 30 days after filing the complaint with the public body.
- o When you file your complaint with the Division, please include the complaint form and all documentation relevant to the alleged violation. You may wish to attach a cover letter explaining why the public body's response does not adequately address your complaint.
- o The Division will not review complaints filed with us more than 90 days after the violation, unless we granted an extension to the public body or you can demonstrate good cause for the delay.

If you have questions concerning the Open Meeting Law complaint process, we encourage you to contact the Division of Open Government by phone at (617) 963-2540 or by e-mail at openmeeting@state.ma.us.

Description of alleged violation:

Describe the alleged violation that this complaint is about. If you believe the alleged violation was intentional, please say so and include the reasons supporting your belief.

On 10 October 2024, the Brookline School Committee voted and approved to make Eid al-Fitr a Category 1 (school closed due to low attendance) holiday for the 2025-2026 school year. This was done without placing the proposal on the public agenda. The docket for the meeting at which this occurred reads "Second reading of 25-26 calendar and possible vote," with no mention of a possible new school holiday and no mention of what the holiday was.

This means that only those people who were somehow informed beforehand that such a proposal was to be discussed and voted on were able to provide public comment. The public at large had no opportunity to make its views known and were thus presented with a decision before even knowing such a proposal was under discussion.

This lack of public awareness is aggravated by the fact that Eid al-Fitr was designated as a Category 1 holiday despite the School Committee's statement that it was not in fact a day of low attendance but was so designated as a marker of cultural awareness. This makes the change to the school calendar of especial interest to the public, as it violates the Public Schools of Brookline's own policies (i.e., schools closed only on Federal holidays and holidays of low attendance).

In short, no vote on this matter should have been taken without placing the proposal on the agenda and making the public aware that it was to be discussed and voted upon.

What action do you want the public body to take in response to your complaint?

Note: This text field has a maximum of 500 characters.

I would like the decision to be rendered void due to the violation of the Open Meetings rule and for the Brookline School Committee to go through the proper steps if it wishes to address this proposal again.
