

Update: PRS 2325

Problem Resolution System Process

Request for Local Report

- DESE PRS lists regulations that may not have been followed, based on complaint
- PRS requests District's response and documentation.

Local Report

- District submits report with requested narrative and documentation
- Can include any corrective action steps already taken

Letter of Finding

- PRS concludes with areas of compliance and non-compliance
- Request for corrective action step(s)

Closure Letter

- Outlines acceptance of each corrective action
- Formally closes out process

Corrective Action

- PSB must relocate those special education students receiving services in hallways to appropriate instructional space.
- PSB must provide list of schools in which students are receiving instruction in hallways and how each school has arranged for the provision of services in a classroom or service provider location.
- Include an accessibility plan for how PSB will ensure access to nursing services to students with limited mobility

Corrective Action

- PSB must relocate those special education students receiving services in hallways to appropriate instructional space.
