Request for Revolving Fund
November 5, 2018

The School Department requires specific authorization for new revolving funds.

School Committee Action Requested: The School Department would like to request that the School Committee authorize the Town Accountant to set up a Revolving Fund for the following:

- Performing Arts Revolving Fund
 - The Performing Arts department runs a number of activities for which fees are collected and vendors must be paid. The nature of the program necessitates access to purchases orders and the ability to deposit funds (either from students or community donations).

Motion: Approve account creation for “Performing Arts Revolving Fund” grant per the attached documentation.

Performing Arts

Fund Number: TBD

Director/Program Coordinator: Kenny Kozol, Performing Arts Curriculum Coordinator

MGL Authorization: Ch. 71 § 47

Year Established: Fiscal 2019

Program Description: Program is used for the following:

1. Fees and bus transportation costs related to the MMEA Eastern Junior & Senior Auditions and Festivals.
2. The Music in the Parks Festival fees and bus transportation costs for our K-8 elementary students.
3. Other performance related costs to support the students in our performing arts academic courses.

Fee Structure: Revenues in this account come from parents paying for the above-mentioned activities as well as community donations.

Fund Restrictions: Funds are restricted to supporting the performing arts extra-curricular activities.

Staffing history: No FTEs are to be charged to the fund.

Budget History: This is a new fund; history will be populated as it becomes available.

Recent Developments:

Previously, an object code within a different revolving fund was used to deposit money and pay invoices related to Performing Arts. A dedicated fund is needed to streamline operations and dutifully report on the Performing Arts program. Activities include: Music in the Parks Festival, MMEA Junior & Senior Districts, All State competitions, and Berklee Jazz Festival.

Current Challenges:

The revolving fund was not set up to being the fiscal year. Programming and payment challenges arose as a result

Significant Proposed Changes for the Upcoming Fiscal Year and Budget Impact:

These activities affect neither the K-8 Performing Arts nor the BHS Performing Arts general fund budget. These activities are paid for by the students’ families and community donations. The current year revolving fund budget is informed by past experience with the programs to be included.

On the Horizon:

After experience accounting for Performing Arts revolving fund as a separate and distinct fund, fiscal 2020 and beyond budget development will be informed by past performance. The fund will be evaluated yearly to determine additional activities that can be supported.

REVOLVING FUNDS FOR SCHOOL DEPARTMENT PROGRAMS

The purpose of this chart is to provide general information about revolving funds allowed by Massachusetts law. It is not designed to address all questions or issues about the listed funds. Nothing contained in the chart changes the laws that authorize and govern these funds.

A revolving fund separately accounts for specific revenues and earmarks them for expenditure by a board or officer without appropriation for particular purposes to support the activity, program or service that generated the revenues. Typically, revolving funds are authorized by state law for programs or services with expenses that (1) fluctuate with demand and (2) can be matched with the fees, charges or other revenues collected during the year.

The board or officer with authority to spend from a revolving fund can only incur liabilities and spend from the available, unspent and unencumbered balance of actual collections.
