

School Choice

The May 15, 2025 School Committee Docket includes a vote on School Choice Non-Participation.

The School Choice Law contained in the Education Reform Act of 1993 presumes that each School Committee will admit non-resident students under the School Choice Program, unless there is a vote to the contrary taken by June 1 of each year, following a hearing on the issue. The School Committee combined the hearing for School Choice with the Public Hearing on the FY 2025 Budget, held on February 13, 2025.
