RE: **Project Bread Grant**

DATE: January 26, 2023

CC: Sasha Palmer, Food Service Director

Sasha requested, and was granted permission, to pursue this small grant for kitchen equipment. I recommend accepting the grant of \$2,982 with the intent of expanding breakfast access & participation at the New Lincoln School with new Breakfast cart. Lincoln has small kitchen, and higher free & reduced lunch population than most other K-8 schools in Brookline, so that's why this building, in cooperation with the building Principal was selected to apply.

Action

"Move to approve the Project Bread Grant of \$2,982 for equipment at the new Lincoln School."

Hi Matt,

FYI, I applied for a grant to purchase a Grab and Go Breakfast Cart for the Lincoln School after we did an observation with Brian and project Break. We were awarded the grant. Yayyyy!!!

Regards,

Sasha

Dear Sasha,

Thank you for the work you do to help students start the day healthy and ready to learn. On behalf of Project Bread, I am pleased to award Public Schools of Brookline with a 2022-23 School Breakfast Participation Improvement Grant for \$2,982.1.

To accept the terms of this grant and in order to receive your grant funds, you must complete the online Acceptance Form by Thursday, January 26th, by logging in to our grant portal at this link: https://www.GrantRequest.com/SID_6036?SA=AM, using the same credentials that were used to submit your grant application. Once you have completed this step, we will be able to process a check for your district/school(s).

Please reach out to our Child Nutrition team at CNOP@projectbread.org with any questions or if you have any difficulty accessing the form.

We look forward to working with you this school year to grow your breakfast participation, and we are excited to see your breakfast program in action!
