

BROOKLINE SEPAC

Supporting Special Education and all students and families throughout Brookline.

- Does your child have an IEP or 504 Plan?
- Do you have questions about special education, how it works, whom to call, what your child's rights are?
- Would you like to connect with other families who face issues similar to yours?

The Brookline Special Education Parent Advisory Council (SEPAC) is a group of parents who support families, advise the School Committee and Public Schools of Brookline Administration on matters pertaining to special education, and advocate for the acceptance of persons with disabilities within the school community. We share information, provide workshops and offer advice to the Brookline community.

Brookline SEPAC meets monthly to share information and maintain open dialog with PSB administration and School Committee.

Topics currently being scheduled are Social Emotional Learning, Executive Functioning Supports in the IEP, and Understanding Basic Rights in Special Education. Past talks are archived on our website.
