WHAT MORE WE CAN DO

Recruiting 2019-2020 Challenges and Opportunities

9

Change the timing of our postings and hiring season

- Particularly important for harder to fill positions and paraprofessional positions
- Increase the amount of time to recruit and hire

Transportation

- Harder to staff buildings
- longer commutes

Attend more college and university recruiting fairs

- Out of region and out of state fairs
- host a paraprofessional job fair

Be more competitive in the market

- Align our pay practices with district philosophy
