SITE LOGISTICS

Saw cutting of existing curb along Westbourne Terrace from #31 - #61) will begin the week of 8/2/21. The Sidewalk Improvements will be broken down into 3 phases green the week of 8/2/21; blue the week of 8/9/21 and purple the week of 8/16/21.

Please email Cshouldice@gilbaneco.com by 7/21/21 for overnight parking needs prior to work starting in your phase.

PROJECT UPDATES JULY 2021

RECENT MILESTONES

There have been many milestones achieved in the recent weeks. The playground equipment has been dismantled and fiber mat has been removed. The fencing around the playground and tennis courts have also been removed. As seen below, site clearing, and tree removal have begun with the demolition of asphalt. Access into and around the job site has been improved at Washington Street and Westbourne Terrace. Construction has also begun on the ramp at the rear of the existing school.

UPCOMING MILESTONES

In the coming weeks, temporary fencing and street signage will be going in on surrounding streets. Large focus on the temporary play area construction. This work consists of paving, installation of temporary fencing around the designated play areas, including relocation of the existing playground equipment. Installation of new pedestrian walkway at Washington street & traffic signage
