1R Wish List 2019-2020

Our Amazon wish list has a variety of different books and classroom materials that we will use throughout the year. They are not required classroom supplies and any purchases from this wish list are entirely optional! Please note that the Amazon link will list desired quantities for a variety of different items. I am hoping that by purchasing from this list, we won't end up with too many erasers and too few pencils!
