

Dear Public Schools of Brookline and Town of Brookline Communities:

The Brookline School Committee is pleased to announce that we are launching our Superintendent search to secure a permanent superintendent to succeed Interim Superintendent Dr. James Marini. We have engaged the services of the Massachusetts Association of School Committees (MASC) to assist us with the search process. We are hoping to have a new Superintendent in place by July 1, 2021.

The following School Committee members have agreed to serve on the Superintendent Search Committee:

- Helen Charlupski (Chair)
- Dimitry Anselme
- Suzanne Federspiel
- David Pearlman

We will be sharing the list of community members who have agreed to serve on the Superintendent Search Public Advisory Committee as soon as it is finalized.

In an effort to solicit input from as many of our stakeholders as possible, the Superintendent Search Committee invites your participation in an [online survey](#) to help guide us through the selection of our next superintendent. We value your input and shall use it anonymously to better understand the needs, goals, and aspirations of our communities. This survey will also help us identify the attributes sought in our next district leader. **Please complete the survey by January 7, 2021.** (Please note that the survey linked above is in English. Translated versions of the survey will be sent over the next few weeks for you to complete.)

For on-going information about the Superintendent search and to view the job posting, please visit the [Superintendent Search Website](#).

Thank you in advance for completing this survey and supporting the Public Schools of Brookline.

Best regards,

Helen Charlupski (Chair)
